Pastor David and Vicki Johnson have 54 years of combined personal experience in understanding marriage and the effects it has on individuals and couples alike. (They've been married for 27 years.) In their 25+ years of ministry experience in a variety of congregational environments, they have shared a desire to see marriages strengthened and grounded on Biblical principles. This makes everyone involved happy, healthy, and wise. Husbands will strive to please their wives and vice versa. Humor and humility are vital keys to a long and blessed marriage. Their motto is, "Love much, laugh hard and pray together often!"
