Rayleen

Rayleen Wilson is the wife of the CMA National evangelist Roger Wilson they over see nine states of the North Central Region and they have served together for 20 years with CMA and now 10 of those years as National evangelist. She has had the privilege to travel the United States on a motorcycle, traveling over 40,000 miles a year and has been blessed to share Jesus with those who had not yet had the privilege to meet Him and has also been blessed to travel extensively overseas on mission trips to many foreign countries where she has met people who love the Lord. Just recently she and her husband returned from Africa, Mexico and Peru They have 3 grown children who are all married and have 2 children a piece. She loves being a Mom and Grandmother. For the past 4 years she has been doing Women's conferences in the US and other countries. She feels privileged to share with other women her life and what God has done and is doing. She has lived through her husband coming back from Viet Nam a broken man who turned to alcohol and other women and during that time they lost a child.

Rayleen...continued:

She wants other women to know that there is a God of restoration who wants to make things new again if you are willing to let go of the past and go on. She was born and raised in Kansas and when called into full time service they moved here to Ottumwa in 2000. Rayleen loves to garden, cook and have people over to share their home. She and her husband attend the Point of Grace Church in Ottumwa. She is excited to share with you what God has done in her life and her families.
